total world emission	total emitting countries	total co2 emission	india vs united states	emission by continents	co2 emission per capita	co2 emission by other fac..
----------------------	--------------------------	--------------------	------------------------	------------------------	-------------------------	-----------------------------

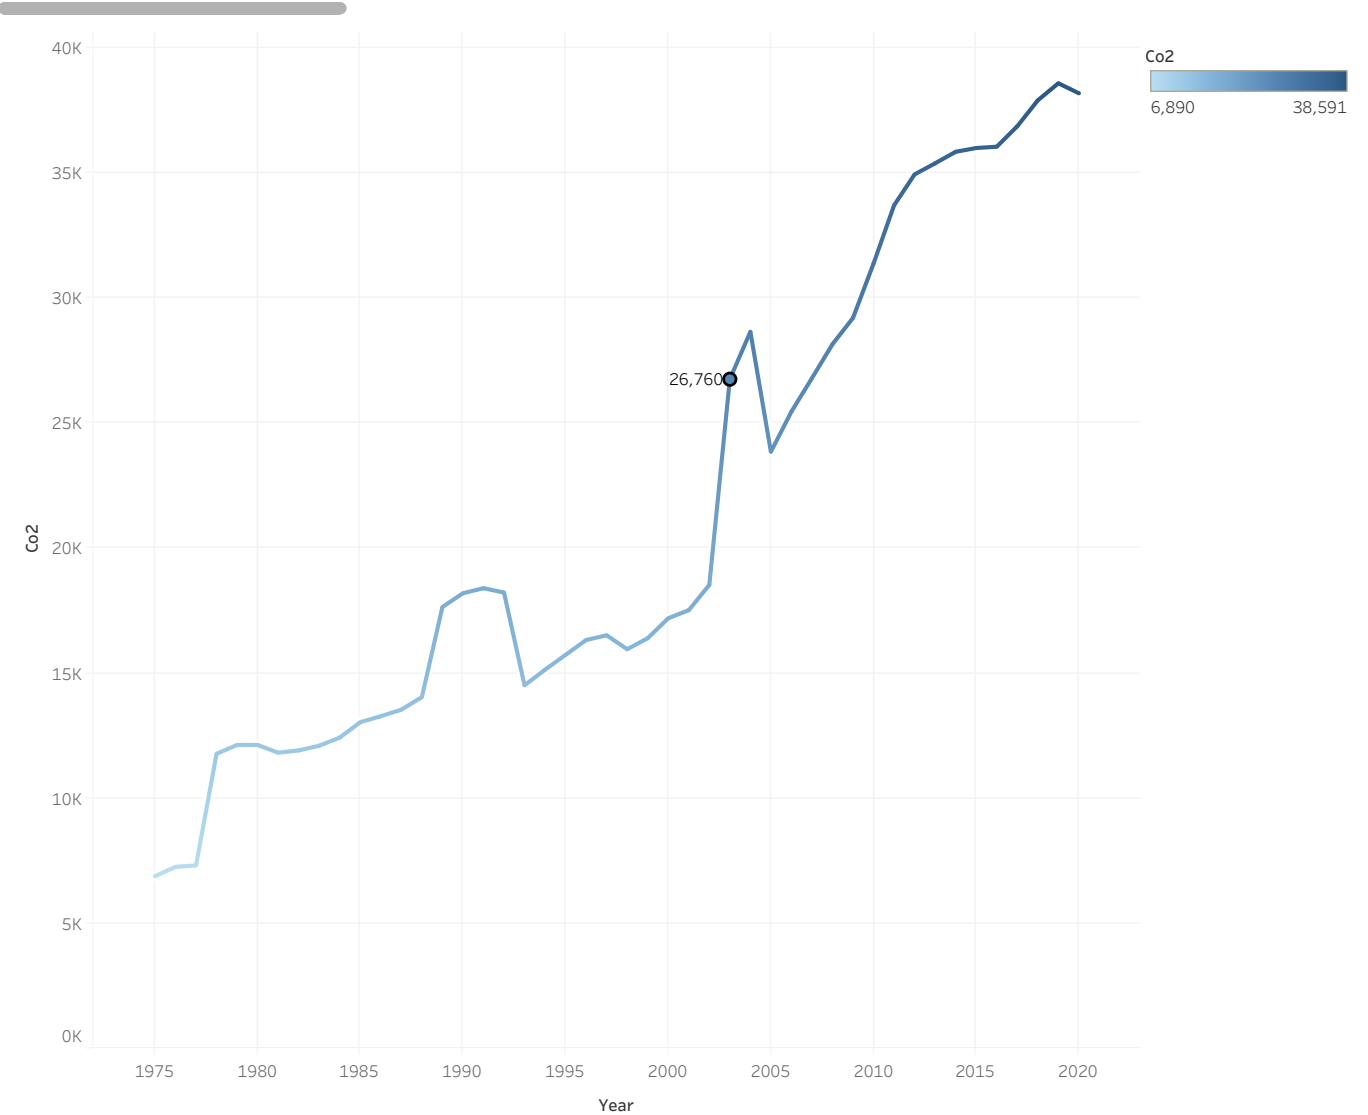

Story 1

total world emission	total emitting countries	total co2 emission	india vs united states	emission by continents	co2 emission per capita	co2 emission by other factors
----------------------	--------------------------	--------------------	------------------------	------------------------	-------------------------	-------------------------------

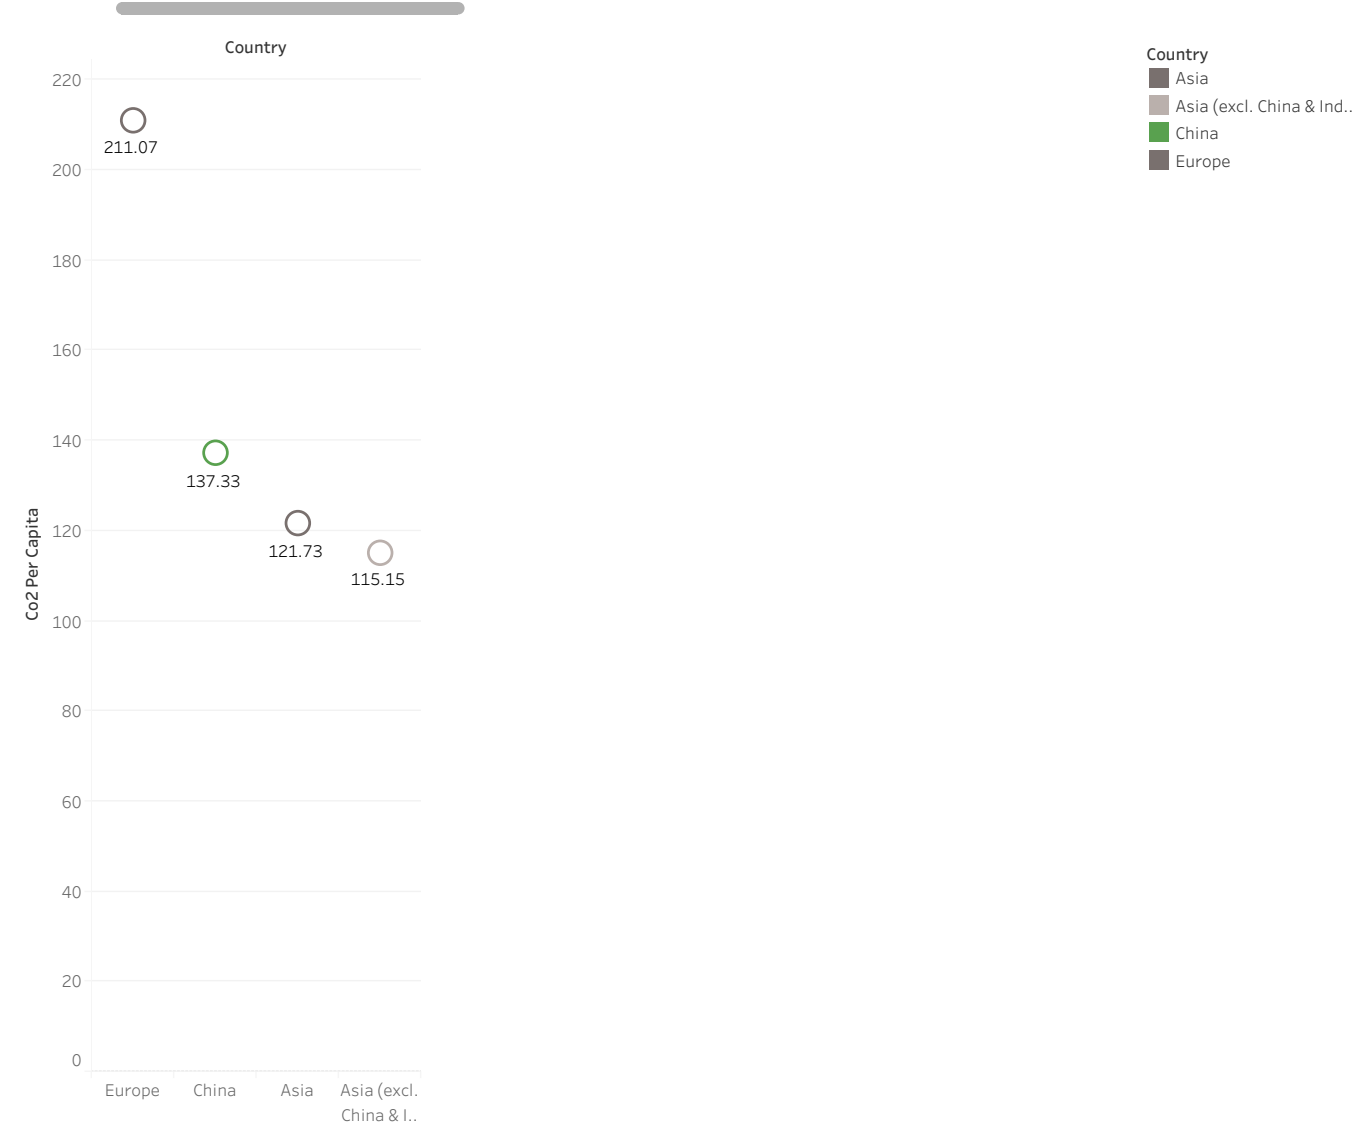

Story 1

total emitting countries	total co2 emission	india vs united states	emission by continents	co2 emission per capita	co2 emission by other factors	emission rate by internal factors
--------------------------	--------------------	------------------------	------------------------	-------------------------	-------------------------------	-----------------------------------

Story 1

total co2 emission	india vs united states	emission by continents	co2 emission per capita	co2 emission by other factors	emission rate by internal factors	donout chart for coal
--------------------	------------------------	------------------------	-------------------------	-------------------------------	-----------------------------------	-----------------------

Story 1

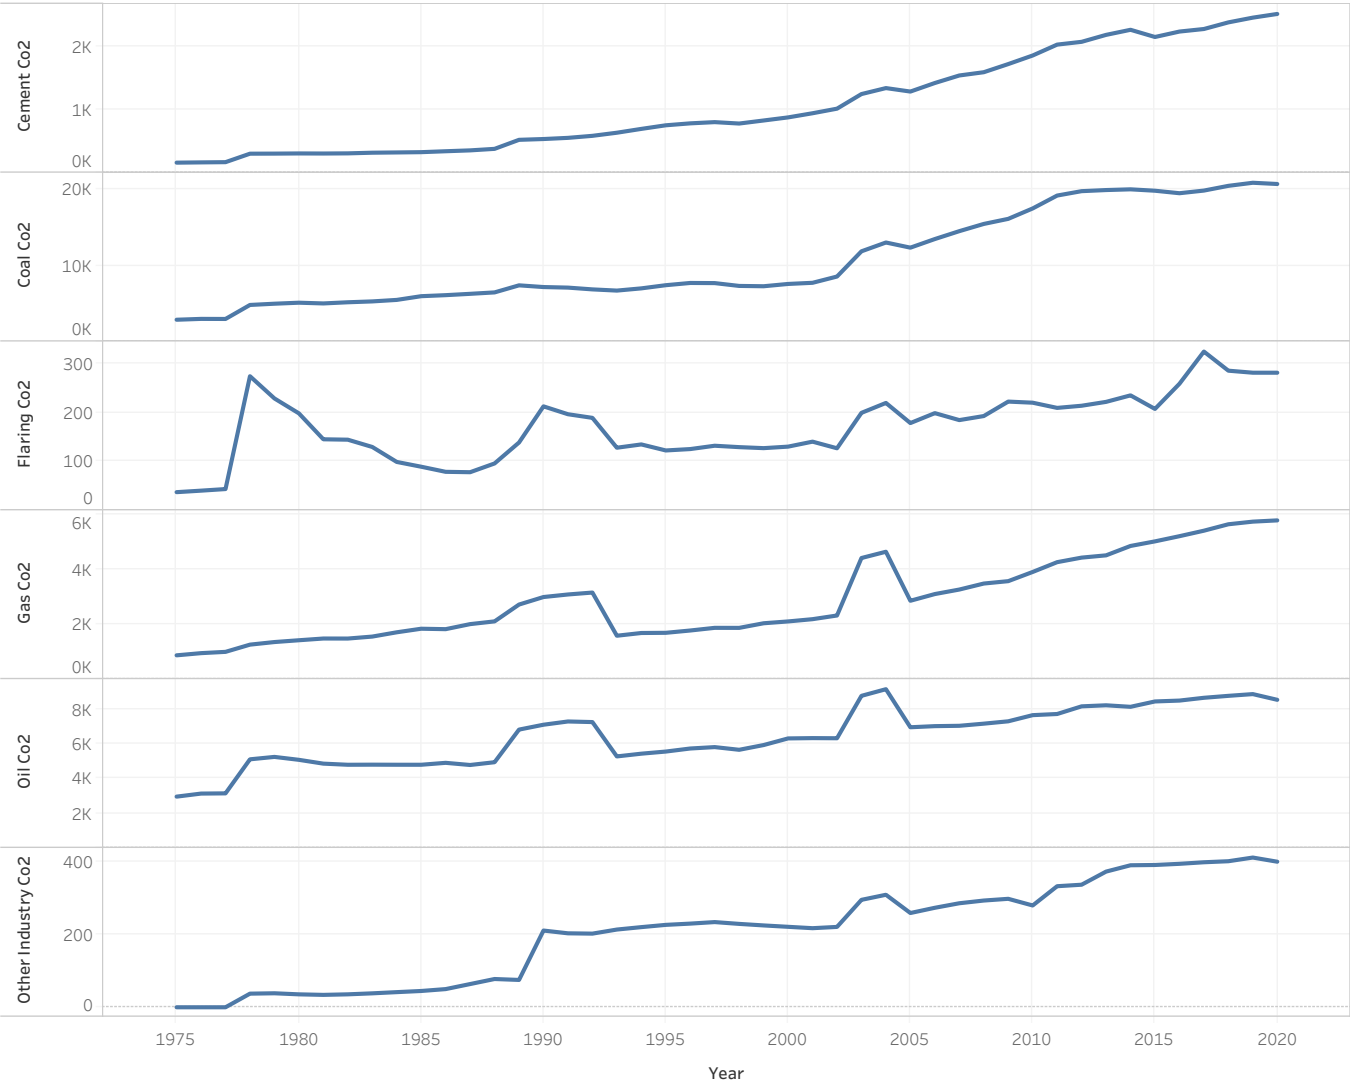

india vs united states	emission by continents	co2 emission per capita	co2 emission by other factors	emission rate by internal factors	donout chart for coal	donout chart for cement
------------------------	------------------------	-------------------------	-------------------------------	-----------------------------------	-----------------------	-------------------------

Country

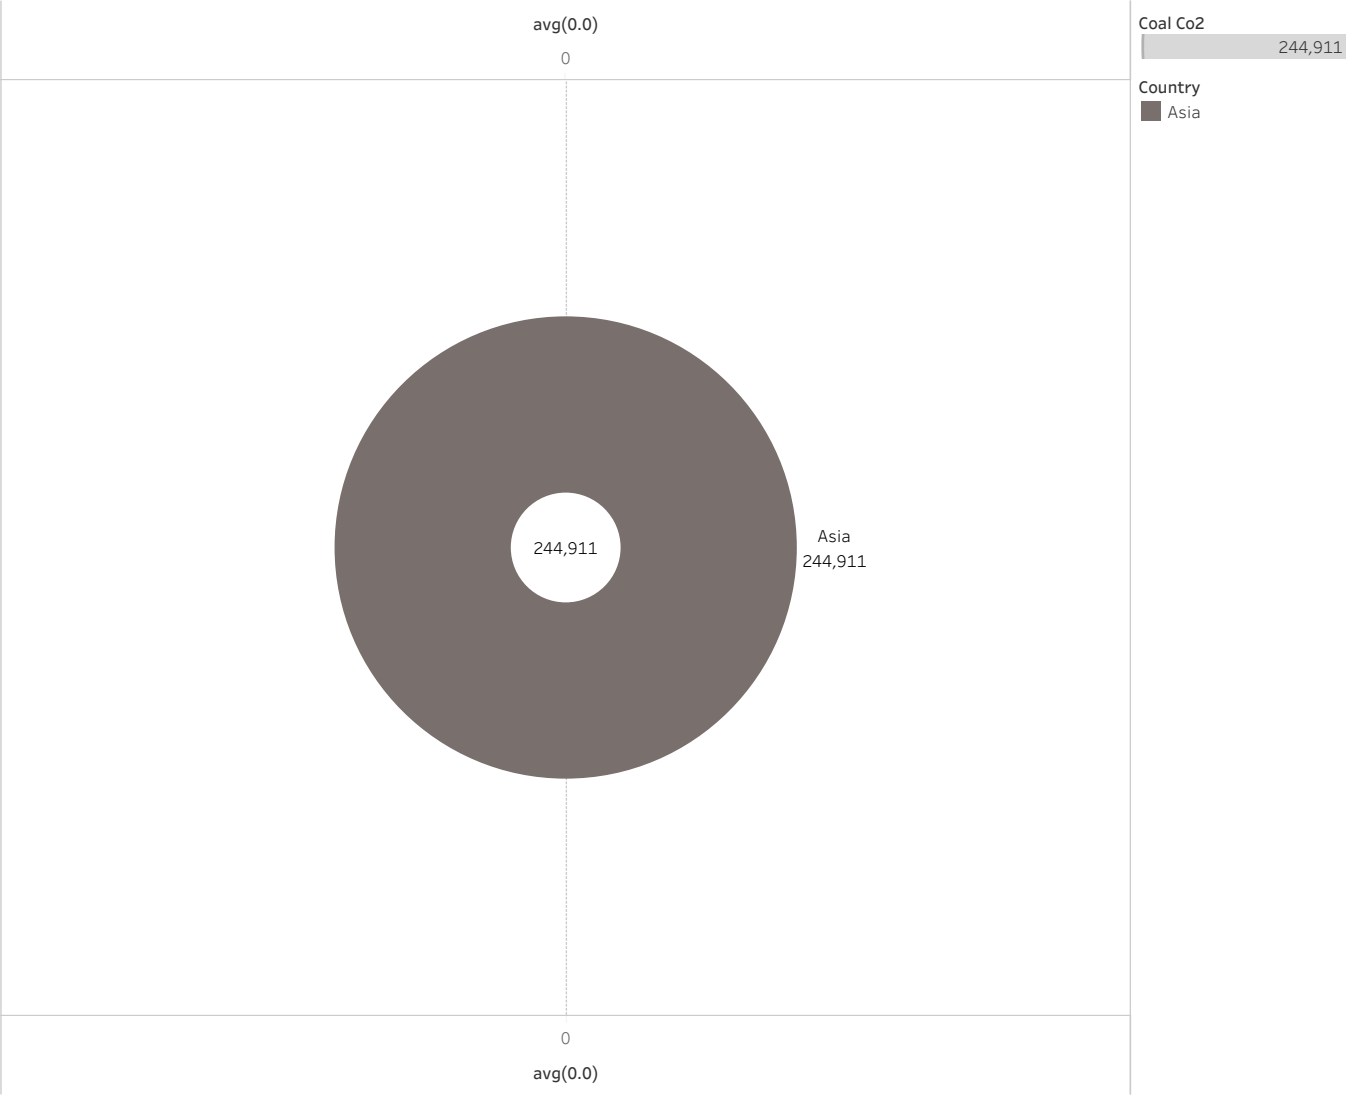

Story 1

emission by continents	co2 emission per capita	co2 emission by other factors	emission rate by internal factors	donout chart for coal	donout chart for cement	donout chart for oil
------------------------	-------------------------	-------------------------------	-----------------------------------	-----------------------	-------------------------	----------------------

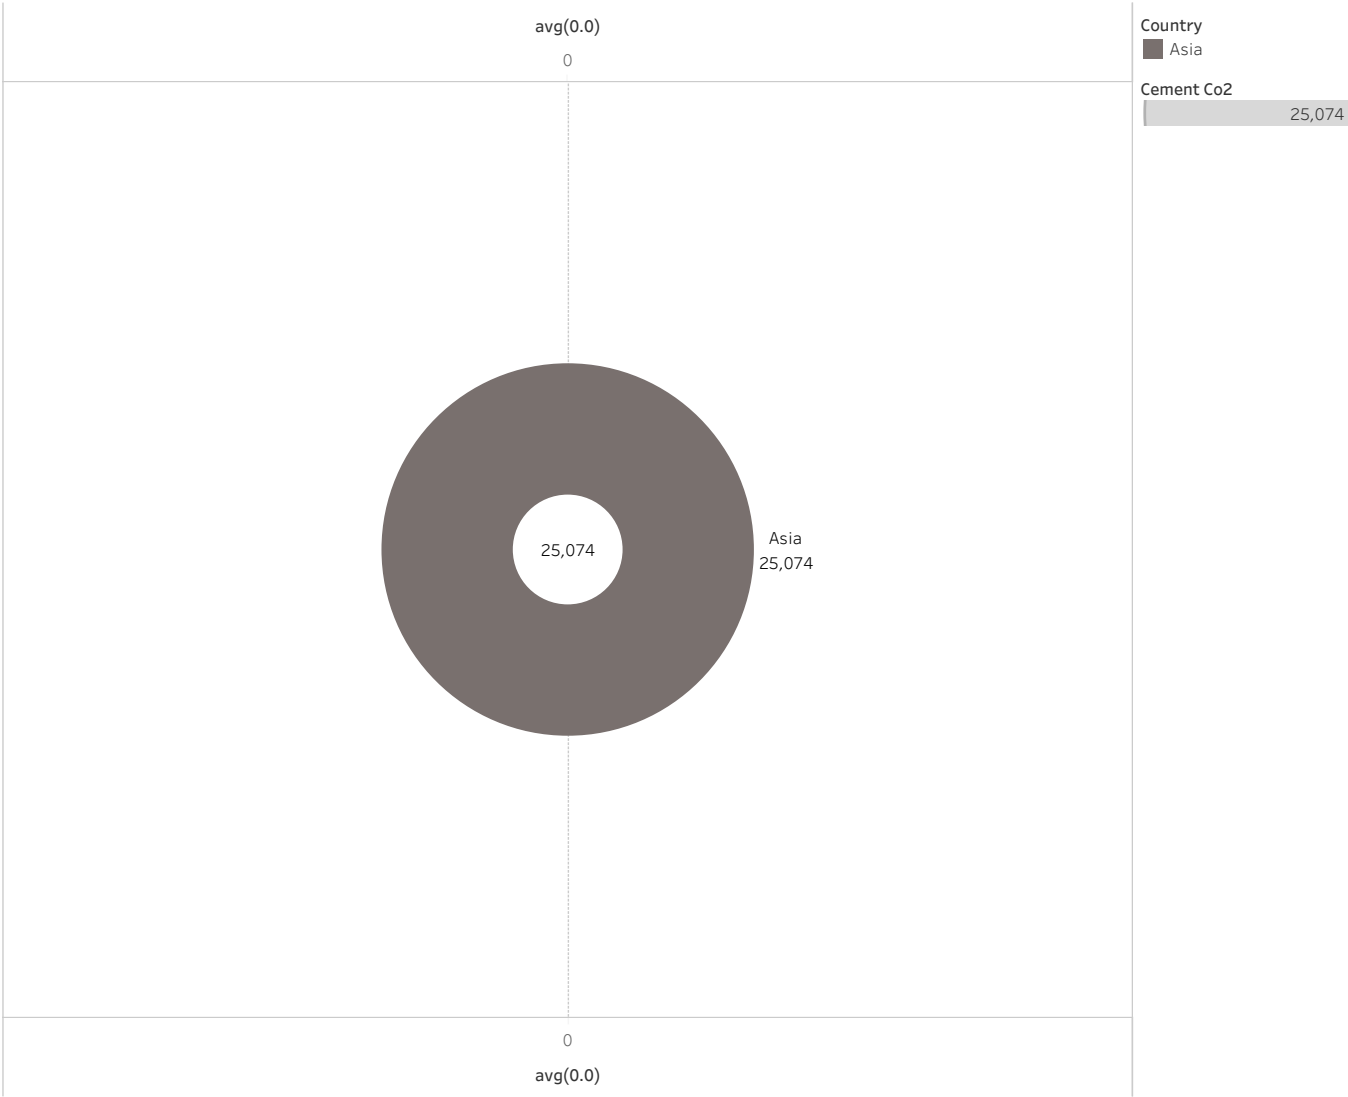

Story 1

co2 emission per capita	co2 emission by other factors	emission rate by internal factors	donout chart for coal	donout chart for cement	donout chart for oil	donout chart for gas
-------------------------	-------------------------------	-----------------------------------	-----------------------	-------------------------	----------------------	----------------------

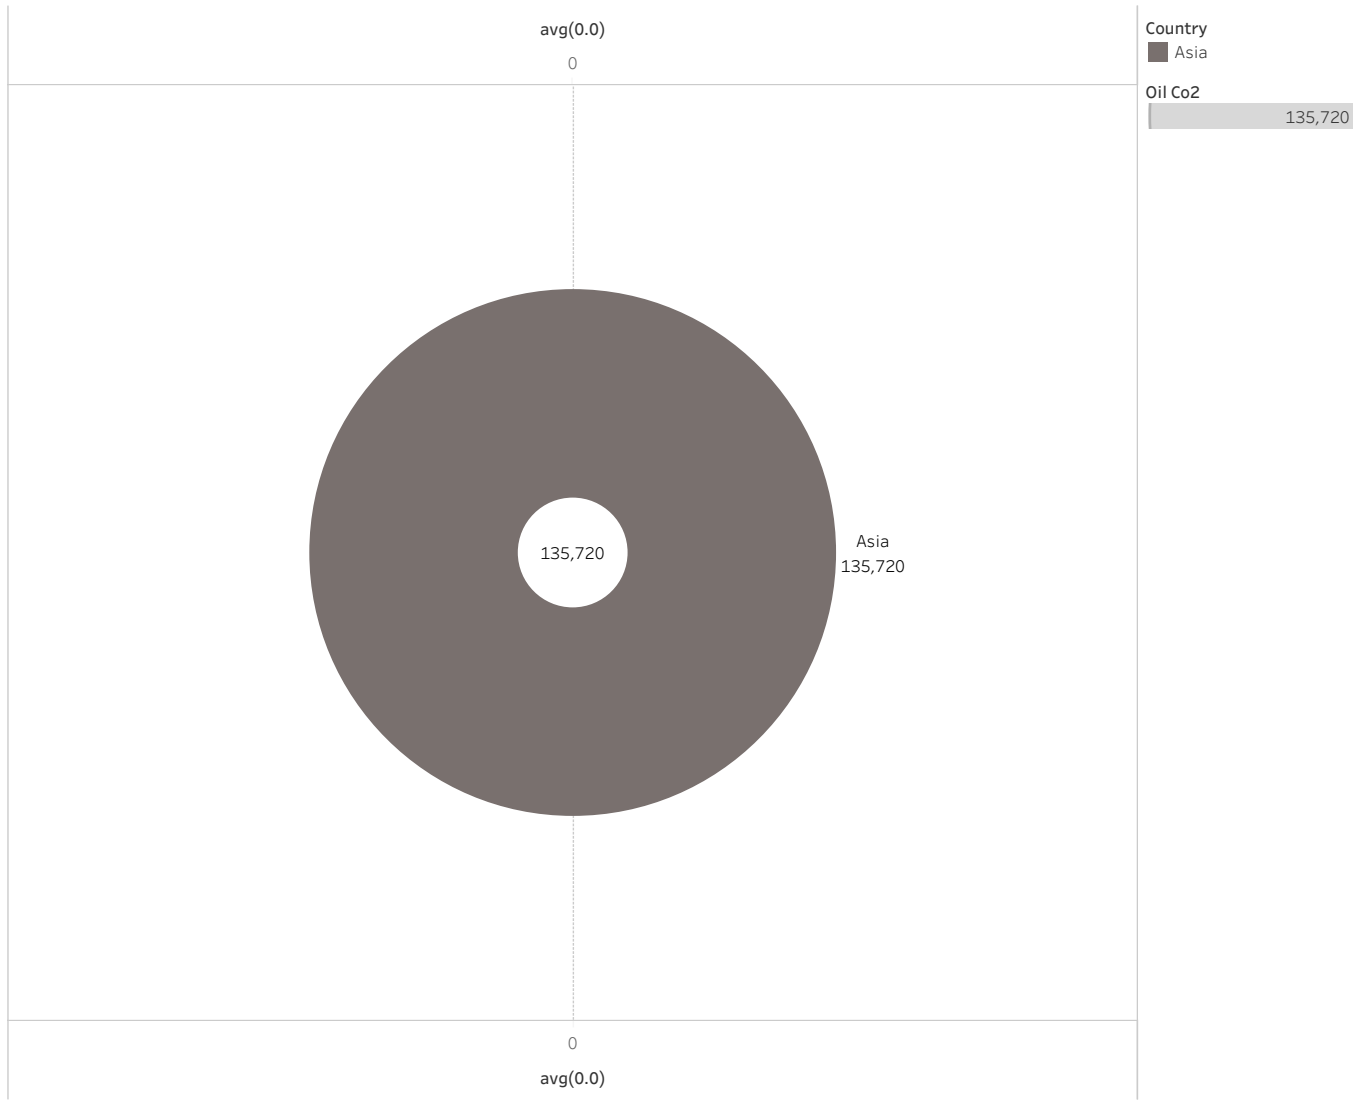

Story 1

co2 emission by other factors	emission rate by internal factors	donout chart for coal	donout chart for cement	donout chart for oil	donout chart for gas	donout chart for flaring co2
-------------------------------	-----------------------------------	-----------------------	-------------------------	----------------------	----------------------	------------------------------

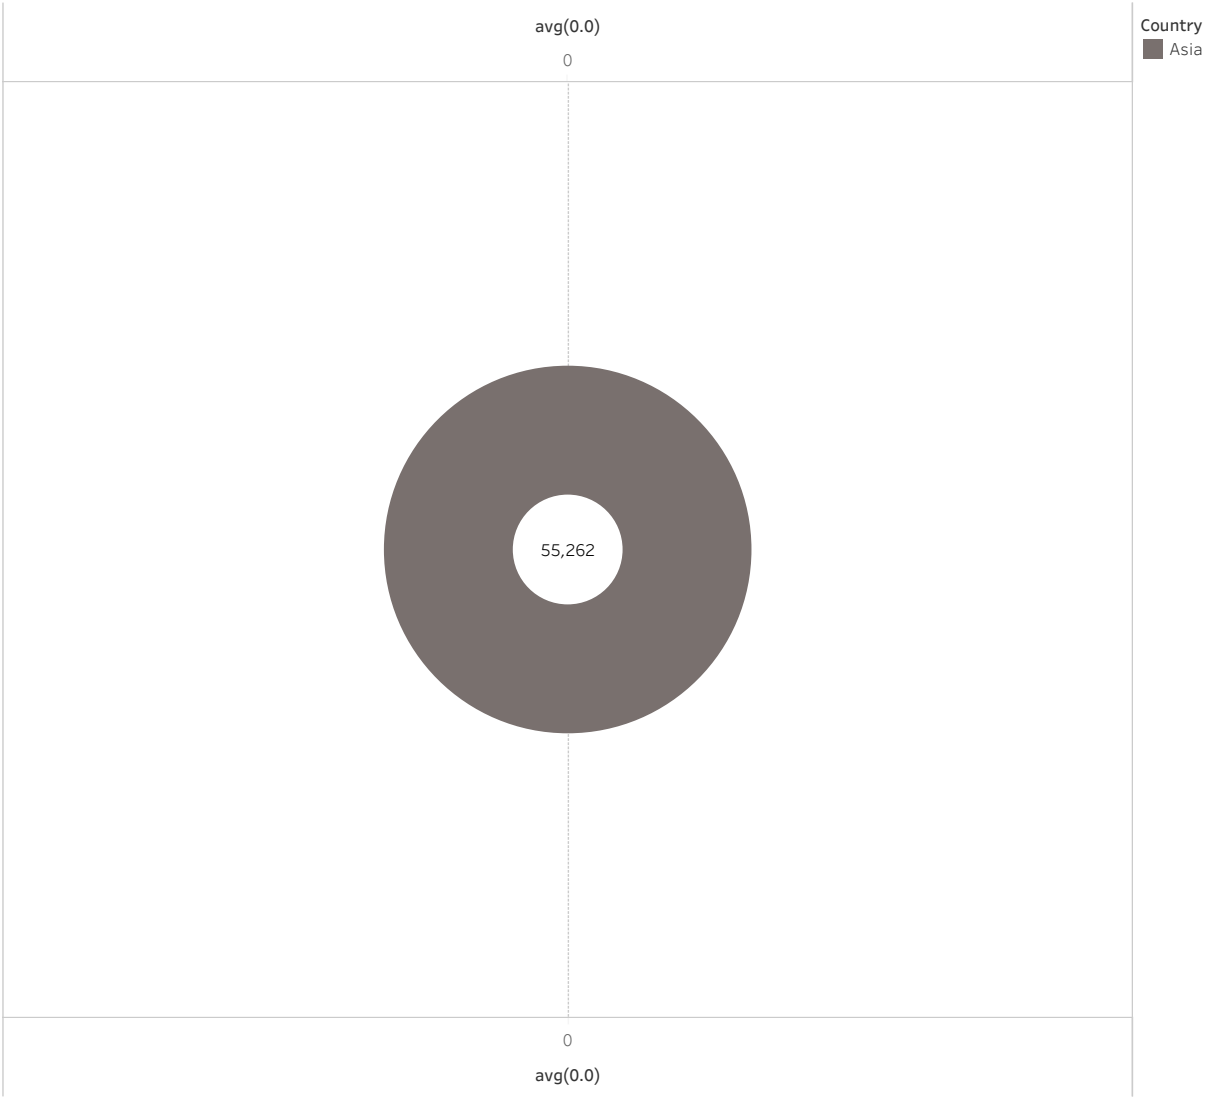

Story 1

emission rate by in ternal factors	donout chart for coal	donout chart for cement	donout chart for oil	donout chart for gas	donout chart for flaring co2	co2 emission over past 10 years
---------------------------------------	-----------------------	----------------------------	----------------------	----------------------	---------------------------------	------------------------------------

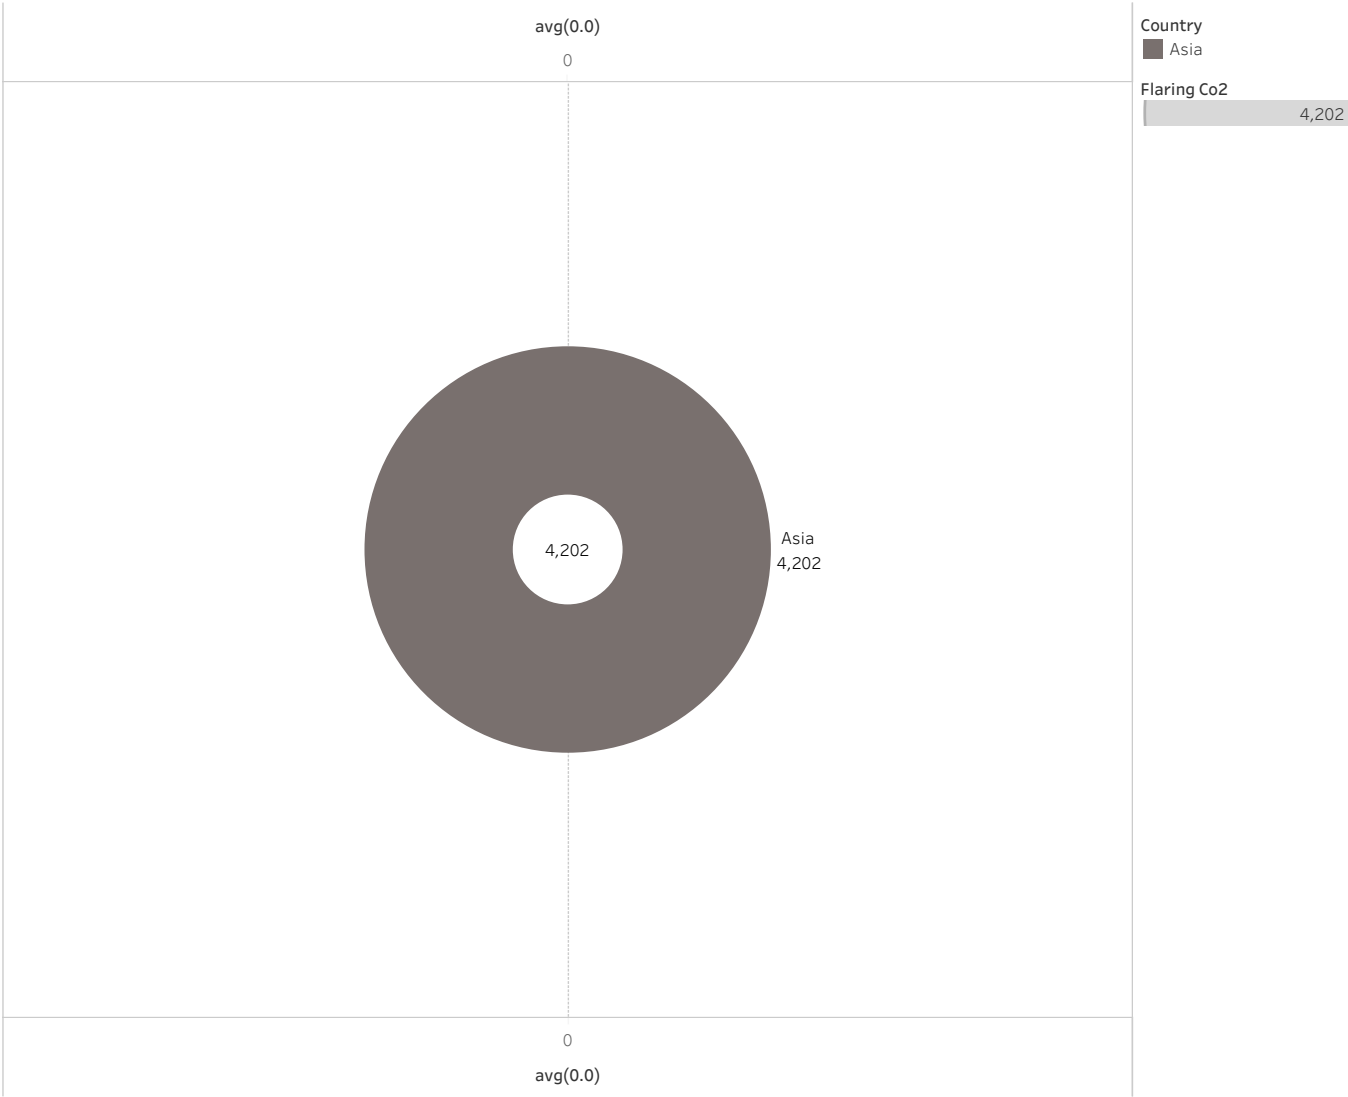

Story 1

donout chart for coal	donout chart for cement	donout chart for oil	donout chart for gas	donout chart for flaring co2	co2 emission over past 10 years	co2 emission in india
-----------------------	-------------------------	----------------------	----------------------	------------------------------	---------------------------------	-----------------------

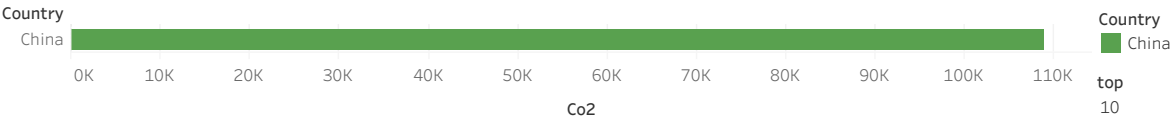

Story 1

donout chart for cement	donout chart for oil	donout chart for gas	donout chart for flaring co2	co2 emission over past 10 years	co2 emission in india	continent wise internal factors
-------------------------	----------------------	----------------------	------------------------------	---------------------------------	-----------------------	---------------------------------

Story 1

donout chart for oil	donout chart for gas	donout chart for flaring co2	co2 emission over past 10 years	co2 emission in india	continent wise internal factors	co2 emission from 1990 to 2020
----------------------	----------------------	------------------------------	---------------------------------	-----------------------	---------------------------------	--------------------------------

Story 1

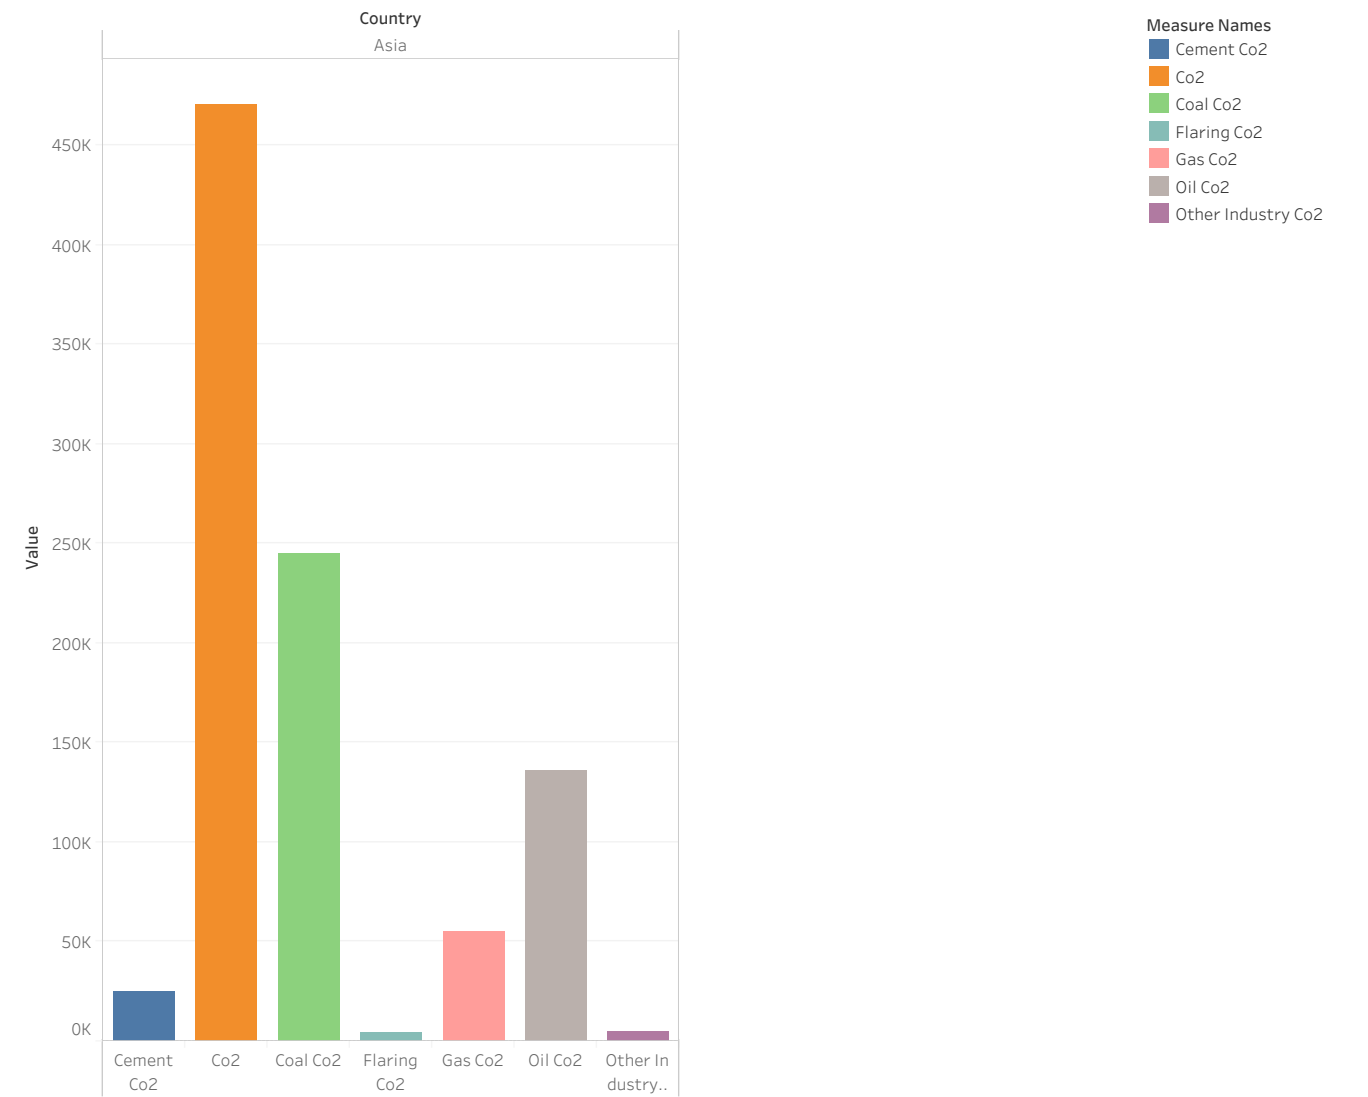

donout chart for gas	donout chart for flaring co2	co2 emission over past 10 years	co2 emission in india	continent wise internal factors	co2 emission from 1990 to 2020	cumulative co2 and co2 per capita
----------------------	------------------------------	---------------------------------	-----------------------	---------------------------------	--------------------------------	-----------------------------------

Measure Names

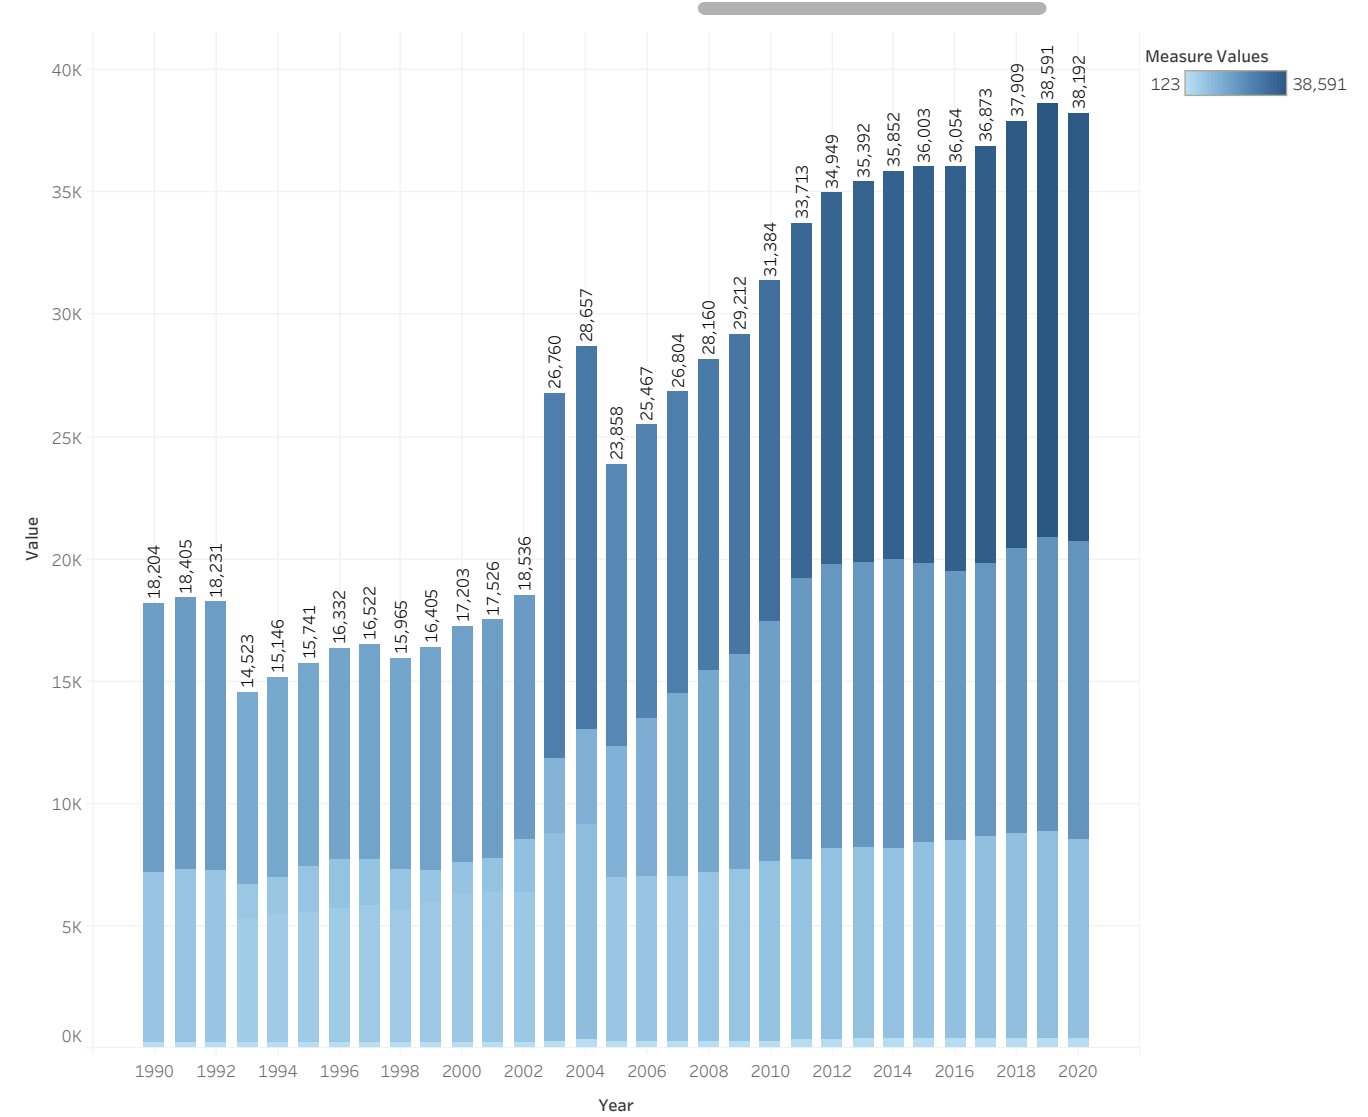

Story 1

donout chart for flaring co2	co2 emission over past 10 years	co2 emission in india	continent wise internal factors	co2 emission from 1990 to 2020	cumulative co2 and co2 per capita	co2 emission in 2020
------------------------------	---------------------------------	-----------------------	---------------------------------	--------------------------------	-----------------------------------	----------------------

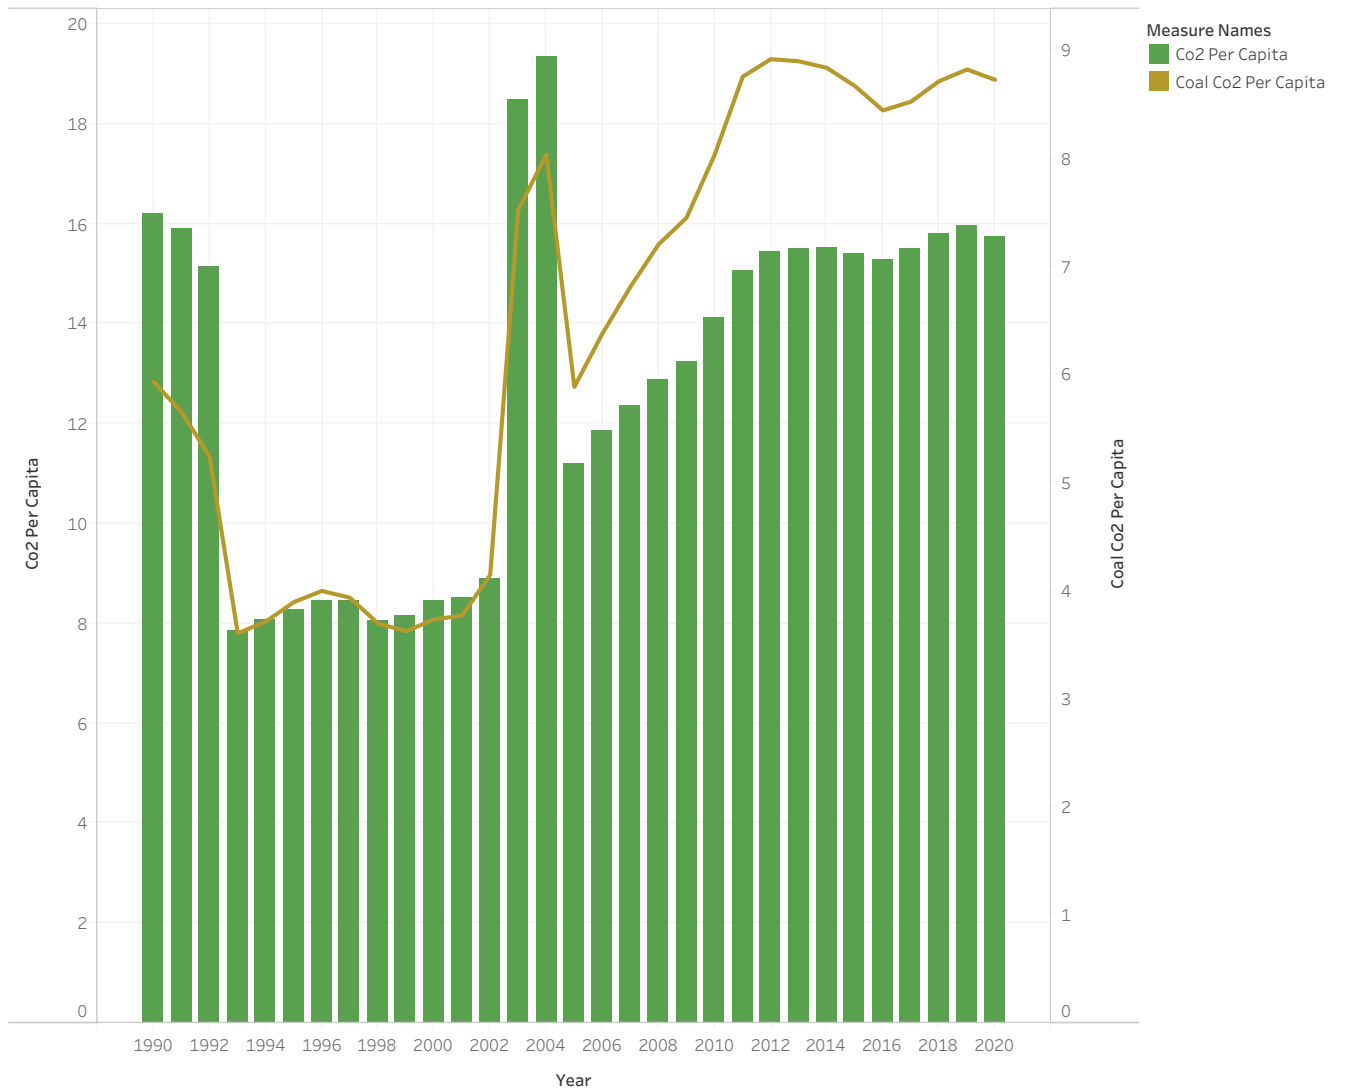

Story 1

co2 emission over past 10 years	co2 emission in india	continent wise internal factors	co2 emission from 1990 to 2020	cumulative co2 and co2 per capita	co2 emission in 2020	china vs india
---------------------------------	-----------------------	---------------------------------	--------------------------------	-----------------------------------	----------------------	----------------

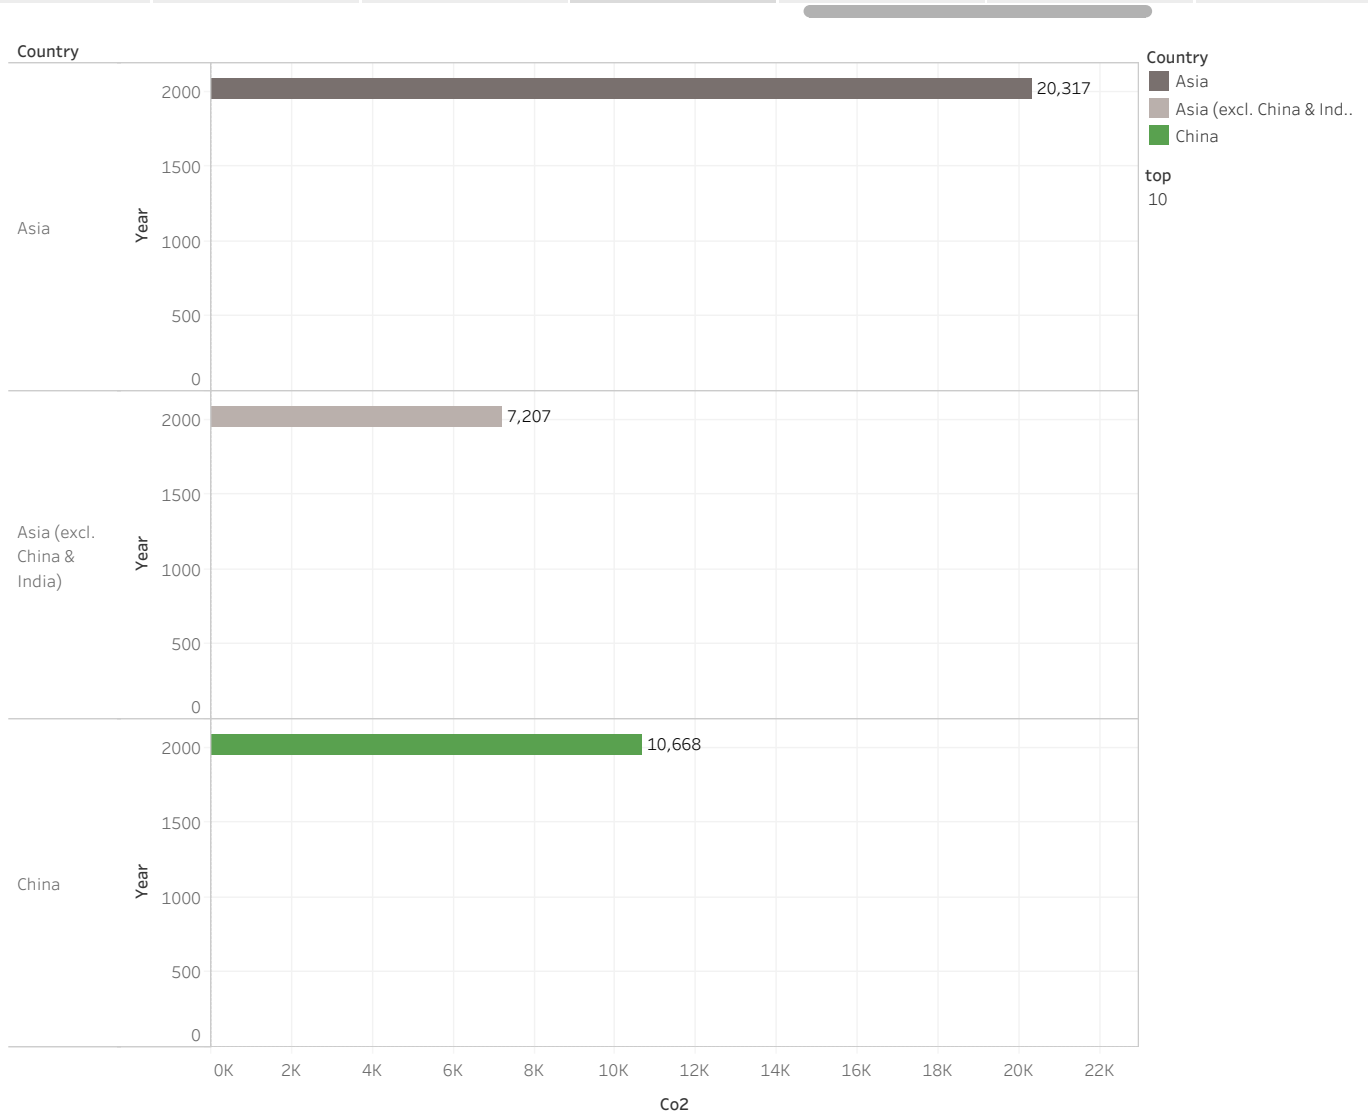

Story 1

co2 emission in india	continent wise internal factors	co2 emission from 1990 to 2020	cumulative co2 and co2 per capita	co2 emission in 2020	china vs india	overall contribution in china
-----------------------	---------------------------------	--------------------------------	-----------------------------------	----------------------	----------------	-------------------------------

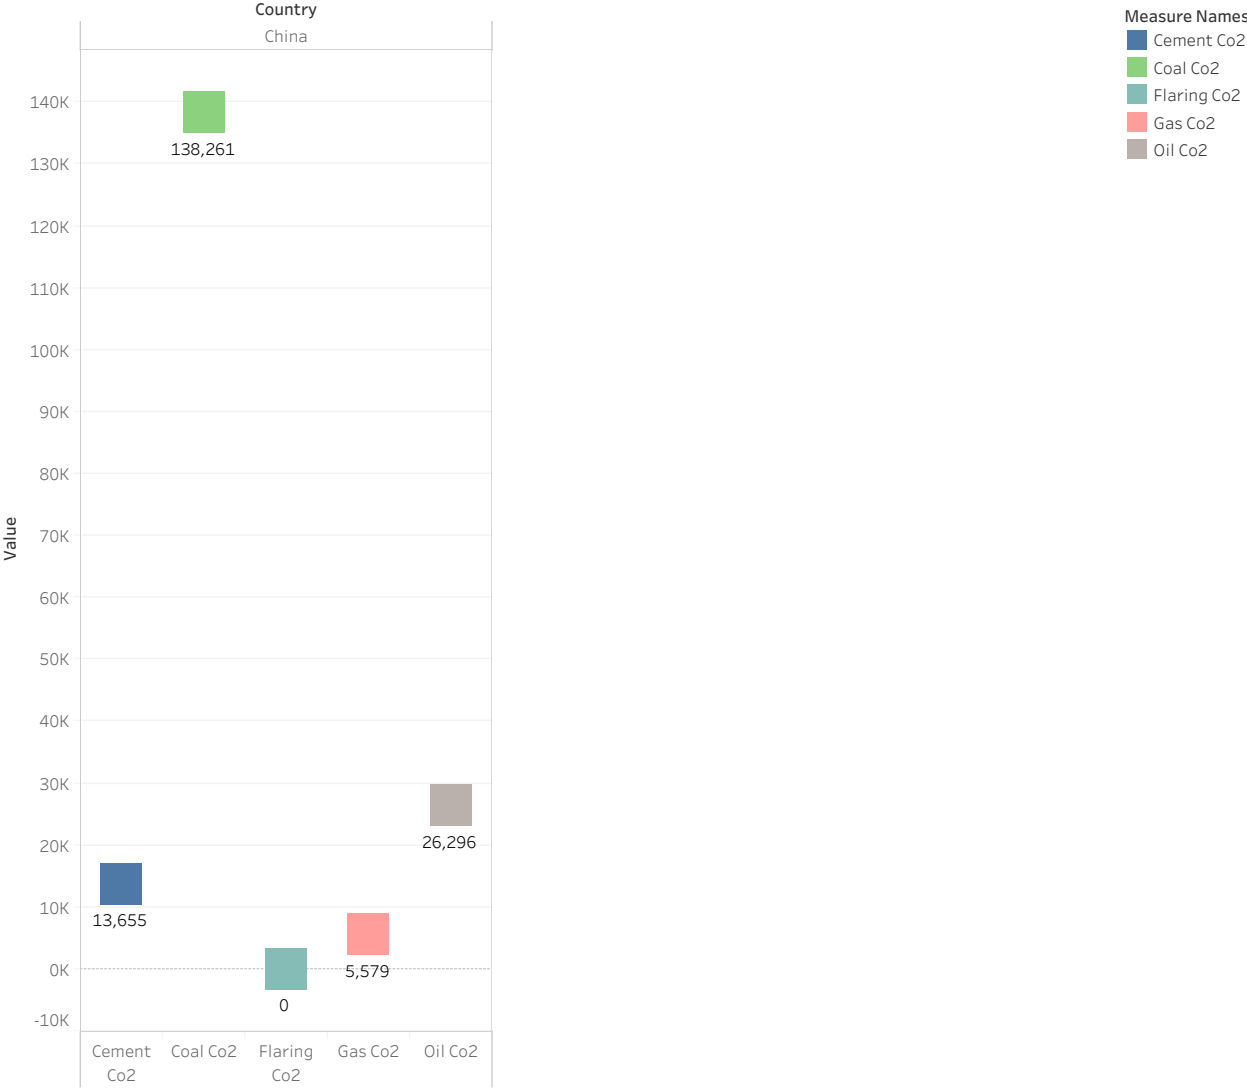

Story 1

continent wise internal factors	co2 emission from 1990 to 2020	cumulative co2 and co2 per capita	co2 emission in 2020	china vs india	overall contribution in china	dashboard1
---------------------------------	--------------------------------	-----------------------------------	----------------------	----------------	-------------------------------	------------

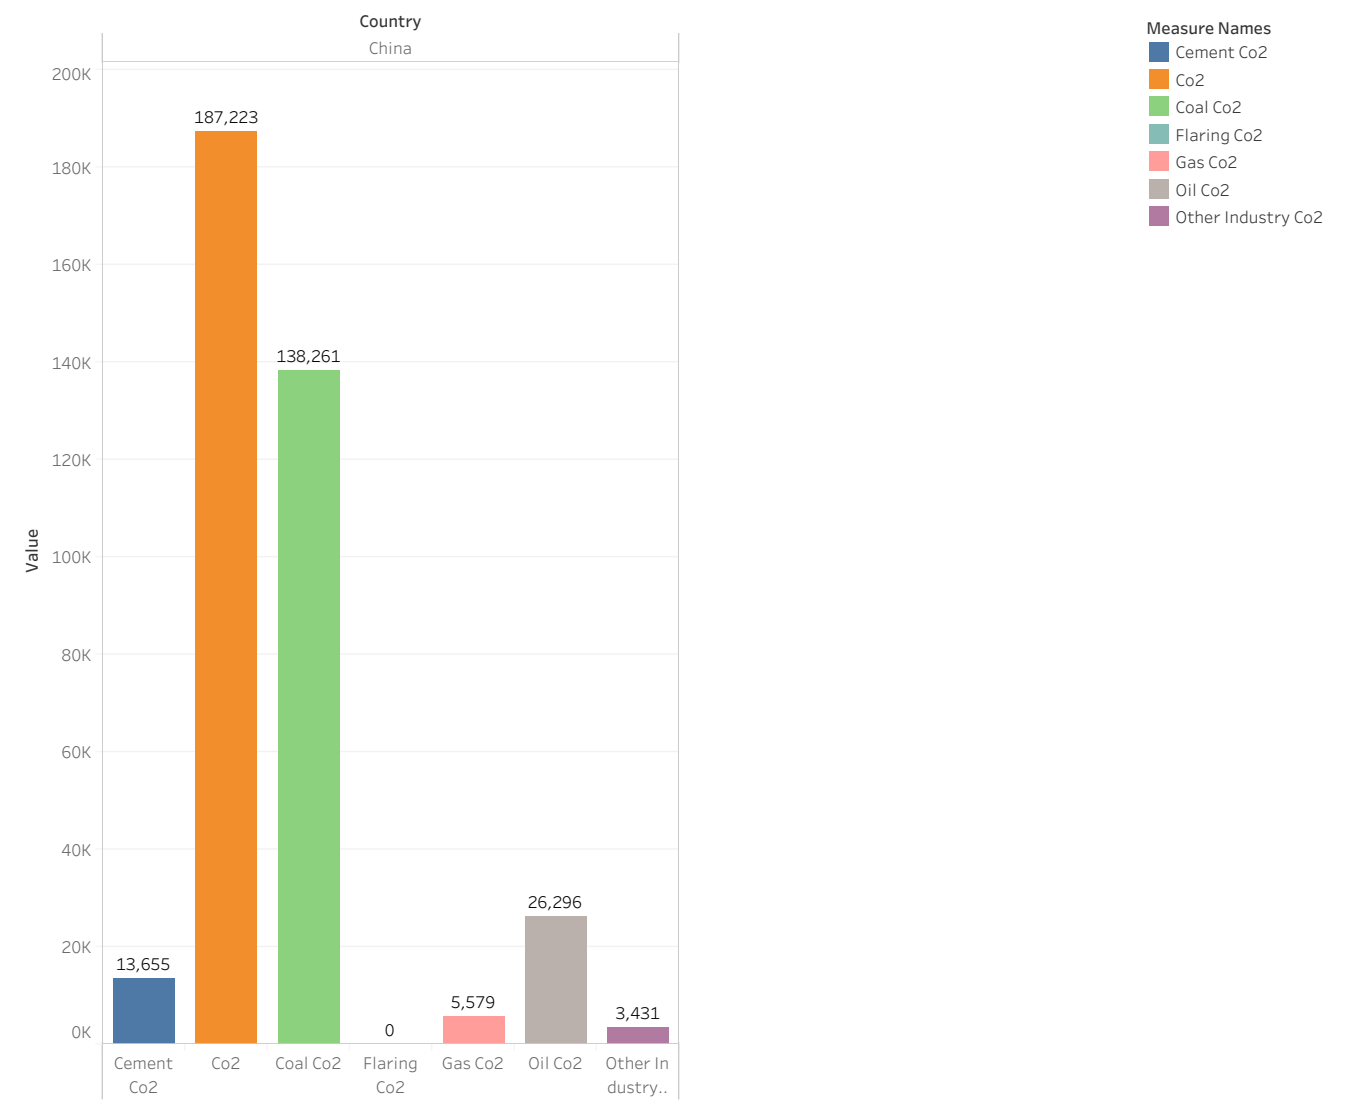

Story 1

co2 emission from 1990 to 20..	cumulative co2 and co2 per capita	co2 emission in 2020	china vs india	overall contribution in china	dashboard1	dashboard2
--------------------------------	-----------------------------------	----------------------	----------------	-------------------------------	------------	------------

Story 1

cumulative co2 and co2 per capi..	co2 emission in 2020	china vs india	overall contribution in china	dashboard1	dashboard2	dashboard3
-----------------------------------	----------------------	----------------	-------------------------------	------------	------------	------------

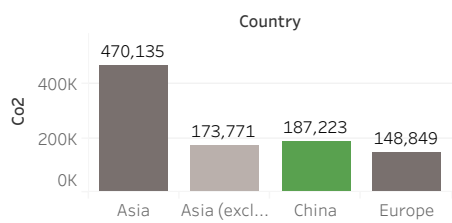

Story 1

co2 emission in 2020	china vs india	overall contribution in china	dashboard1	dashboard2	dashboard3	dashboard4
----------------------	----------------	-------------------------------	------------	------------	------------	------------

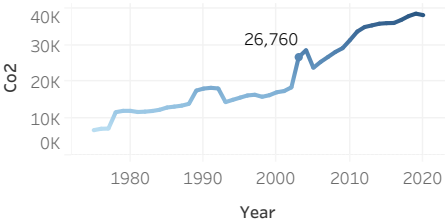

Total world Emission

Total emitting countries

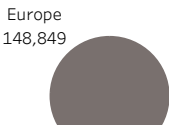

Total Co2 Emission Over Time

Co2 Emission India vs United states

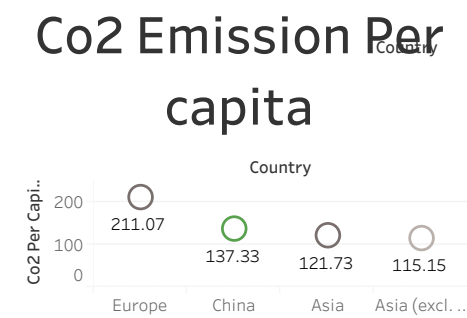

Total emission by contients
